Note: Premier Fence is approximately 3 to 5 days out on lead times and the time starts when we can obtain permits and call for utility locates. We must by state law give a minimum of 48 hours notice for utility locates after the final grade. Request form not filled out will not be processed for completion. Please attach this form to the plot plan. This form requirement is to assure your date of order and to help us serve your company needs. Superintendent must call to verify completion of grade.
